

## Solid Brass Name Badges

... Engraved Name Badge Release Program

These elegant solid brass badges are available in two distinct styles. The ET style has a frosted centre piece while the GB style has a polished gloss finish. Your logo or design is screen printed in your choice of 20 standard colours. Both styles can be personalized with engraved and black filled names or sublimated in black – making an exquisite personalized statement for your organization. The round corner badges come in two sizes and are light weight. AT-704 Locking Pin is standard.

**Solid Brass Name Badges.** One colour screen printed imprint. Solid brass (0.020" thick). ET Style – polished border with frosted centre piece. GB Style – gloss finish. One line sublimated black personalized copy. AT-704 locking pin attached. Individually polybagged. Prices each badge.
