

With **between™** from Toronto Stamp, order the quantity you want ... always at the lowest published price.

In the past, when you ordered customized products from Toronto Stamp (or any of our competitors), you would be charged a price based on a series of fixed price breaks. If you ordered quantities between the price breaks, then you would be charged the higher price.

between™ changes all that!

At Toronto Stamp, on most of our products* you can order any quantity you like and the price adjusts between each price break. The more you order, the lower the unit price.

Suppose you need 35 - 3" x 1" Laminated Name Badges ... not 25 ... not 50.

Badge Area	10	25	50	100	250	500	1,000	2,500
Up to 3 sq.in.	\$15.53	\$ 9.37	\$ 7.19	\$ 6.05	\$ 5.31	\$ 4.92	\$ 4.39	\$ 3.98

You can now order 35 (at least from us, that's not always true elsewhere), but the "industry standard" is to charge the 25 piece price of \$9.37. Even though you're ordering more, there is no price break until you order at least 50 ... twice the quantity. Our price for 35 is \$8.50 ... a savings of \$30.45 (9%) to you!

For instance, Laminated Name Badge prices between 25 and 50 are as follows:

25	26	27	28	29	30	31	32	33	34	35	36	37	38	39	40	41	42	43	44	45	46	47	48	49	50
9.37	9.28	9.20	9.11	9.02	8.93	8.85	8.76	8.67	8.59	8.50	8.41	8.32	8.24	8.15	8.06	7.97	7.89	7.80	7.71	7.63	7.54	7.45	7.36	7.28	7.19
