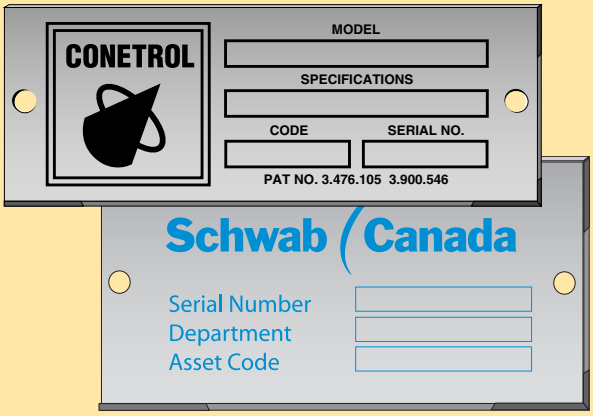
Etched
Stainless Steel Nameplates

The ultimate in nameplate durability. Stainless steel resists the worst wear and/or corrosive environments. Copy is permanently etched and filled in black, red, blue or green. Available in #2B finish (satin mill) or #4 finish (brite brushed). Available with either coloured lettering and borders against a stainless background (Style PO) or with stainless lettering, pads and border against a coloured background (Style NE). Supplied complete with two mounting holes. Maximum one side dimension ... 5 1/2". Other thicknesses and sizes available.



Design etched into stainless

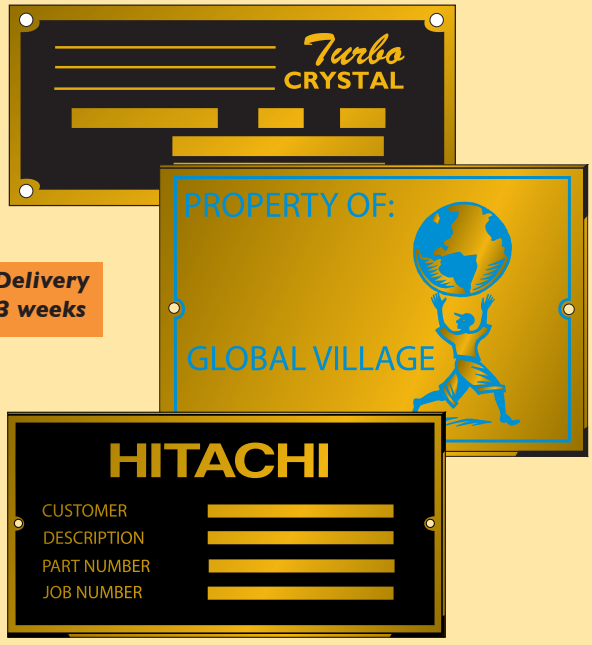
Brass Nameplates

Free Sample

Made of solid brass, these traditional nameplates are virtually indestructible. They are also highly corrosive resistant. Copy is permanently etched and filled in black, red, blue or green. Available in satin mill finish. Available with either coloured lettering and borders against a brass background (Style PO) or with brass lettering, pads and border against a coloured background (Style NE). Supplied complete with two mounting holes. Maximum one side dimension ... 5 1/2". Other thicknesses, finishes and sizes available.



Delivery 3 weeks
