... Steel Hand Stamps

Steel Stamp Holders are great for consistent alignment of indentation markings. They avoid shadowing and provide best marking results.

WARNING: Wear safety goggles. Strike squarely. Avoid glancing blows. Striking hard surfaces can cause chipping possibly resulting in eye injury. Discard stamp at once if chipping, mushrooming or denting occurs.

Strap Style Stamp Holder. Hand stamps fit and lock in place with an adjustable nylon strap. A rubberized non-slip handle assures safety and precision. Holds stamps from 1/2" to 1" square.
