

## Weatherproof Labels

Printed on silver polyester (matte or brushed), silver polypropylene (gloss), vinyl (white or yellow) or clear polypropylene (specify face or back adhesive) films. Laminated for added durability, these labels are weather and sun resistant. Permanent pressure-sensitive adhesive backing attaches firmly to most clean, dry surfaces. Choose from the shapes illustrated ... 43 in all. Your design is imprinted in your choice of 15 colours on 6 materials.

## Security Labels

Ideal for any security-related applications ... from electronics and pharmaceuticals to membership passes.

**Destructible White Polyethylene** - If removal is attempted, the label shreds and is destroyed.

**Chrome Polyester** - If removal is attempted, it breaks a bond with the material and an outline of the word "VOID" or a checkered pattern (smaller labels) remains on the surface.

**Security Labels in Rolls.** One colour imprint. Prices per hundred labels.

Label	Prices per Hundred Labels
