Un-Loved Program

If you find you've accumulated unused stamps, daters, self-inkers, pre-inked stamps ... return them to us for recycling. Returned stamp products are processed through one of two streams:

A. Recycling Stream ... where ...

1. Dies are removed and securely destroyed
2. Machines are dis-assembled
2. Pads are disposed of
3. Wood parts are recycled
4. Steel parts are recycled
5. Aluminum parts are recycled
6. Brass parts are recycled
7. Molded plastic parts are recycled
8. Paper parts are recycled

B. PreLoved Stream ... where ...

1. Dies are removed and securely destroyed
2. Machines are cleaned
3. New pads installed in AutoStamps™, AutoDaters™, Self-Inkers
4. New ink cartridges installed in AutoMarks™
5. Machines are forwarded to our Pre-Loved Program →

Pre-Loved Program

Toronto Stamp maintains an inventory of previously used AutoStamps™, AutoMarks™, AutoDaters™ and Self-Inkers ... see our product listing above.

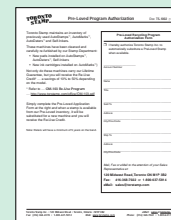

These machines have been cleaned and carefully re-furnished by our Stamp Department:

- New pads installed on AutoStamps™, AutoDaters™, Self-Inkers
- New ink cartridges installed on AutoMarks™

Not only do these machines carry our **Lifetime Guarantee**, but you will receive the **Re-Use Credit** (see above) ... a savings of **10% to 50%** depending on the model.

Simply complete our Pre-Loved Application Form and when a stamp is available from our Pre-Loved inventory, it will be substituted for a new machine and you will receive the Re-Use Credit ... see above.

Note: Daters will have a minimum of 5 years on the band.
