

Rotary Engraved Signs

Your choice of 36 Colour Combinations

Permark Catalogue

Delivery: 1-2 weeks

Custom engraved signs are an attractive, yet functional means of visual communication ... for identifying, informing, directing, advertising, instructing. Your message is deeply routed into the surface of the outer material to expose the inner core colour. All four edges are bevelled, exposing a decorative border. Furnished with pressure-sensitive adhesive back or holes to suit.

Rotary Engraved Signs. One line engraved gothic style characters (size to suit). Laminated plastic. Bevelled edges. Adhesive back or holes to suit. Prices each sign.
