

Number Plates

Photoanodized Aluminum Number Plates

Your company name or logo is permanently photoanodized in 0.020" thick aluminum. Indented serial numbers are tamper-proof ... can't be altered or painted out. Supplied with pressure-sensitive adhesive backing ... easy, permanent mounting to any smooth, dry surface.

One colour imprint. 0.020" thick aluminum. Adhesive back. Prices each.

Made of Durable .040" thick Aluminum

Serially numbered property control tags provide a positive identification of your organization's assets ... for inventory, insurance and tax purposes. The gothic style lettering (up to 3 lines) and bold 1/4" or 1/2" consecutive numbers are indented and black filled for legibility. Cannot be altered, erased, scraped off or painted out.
