**Embossed —  
Metal Tags**

Embossed Metal Tags are made from 0.008" thick metals. The thin material is ideal for embossing permanent raised letters. Embossed characters remain legible, even when painted over or soiled. They withstand abrasion and moist environments . Good for indoor or outdoor use. Rounded corners allow for safe handling.

**Materials:**

- 0.008" Aluminum
- 0.008" Electro-Galvanized Steel
- 0.008" Enamel Coated Steel (available in 3" widths in red, orange, yellow, green, blue and white)

**Sizes:**

- Widths: 2", 2<sup>3</sup>/<sub>16</sub>", 2<sup>1</sup>/<sub>2</sub>", 3"
- Lengths: 2" to 7"

**Holes/Slots:** 1 or 2 end holes or slots

- Hole Sizes: 1/8", 3/16", 1/4", 5/16", 3/8"
- Slot Sizes: 1/4" x 1<sup>3</sup>/<sub>16</sub>", 1/4" x 1<sup>3</sup>/<sub>8</sub>"

**Text:**

Blank, embossed or debossed

**Numbering:**

- Consecutive up to 7 digits
- Sizes: 3/16", 1/4", 3/8"

**Nick & Notch —  
Metal Tags**

Supplied in a coil for use in both manually-fed or auto-fed machines. Scored (nicked) tags can be separated into individual tags and the rounded corners (notch) allows for safe handling

**Materials:**

- 0.008" Aluminum
- 0.008" Electro-Galvanized Steel
- 0.008" Enamel Coated Steel (available in 3" widths in red, orange, yellow, green, blue and white)

**Sizes:**

- Widths: 2", 2<sup>3</sup>/<sub>16</sub>", 2<sup>1</sup>/<sub>2</sub>", 3"
- Lengths: 2" to 5<sup>3</sup>/<sub>4</sub>" in 1/2" increments

**Holes/Slots:** 1 or 2 end holes or slots

- Hole Sizes: 1/8", 3/16", 1/4", 5/16", 3/8"
- Slot Sizes: 1/4" x 1<sup>3</sup>/<sub>16</sub>", 1/4" x 1<sup>3</sup>/<sub>8</sub>"

**Text:**

Embossed only

**Numbering:**

- Consecutive up to 6 digits
- Size: 3/8"

**Printed —  
Metal Tags**

Available in two styles:  
Bare metal in six colours  
Paper covered electro-galvanized steel.  
Both styles may be printed in one or two colours. Variable information can be hand written with a marker or indented with a hand stamp. Tags are also available blank with or without 1/8" brass eyelets.

**Materials:**

- 0.008" Electro-Galvanized Steel
